

HyperX Cloud Mini Wired Multi Headset (7G8F3AA)

Overview

Designed for growing gamers.

The HyperX Cloud Mini is a comfortable wired headset built for aspiring star gamers. Recommended for ages 8-12, it's lightweight and appropriately sized for younger gamers, and more importantly, it's designed to keep audio levels below 85dB[1]. It features a clear, flip-to-mute mic so younger gamers can chat with their friends online, and it can be tucked away when not in use[3]. The earcups can be rotated when it's time to take a break, and they're also great for easy transport or storage. Cloud Mini can easily connect to any device that has a 3.5mm connection, so whether your young gamer is playing on mobile, Chromebook, Nintendo Switch, PlayStation, PC, Steam Deck, or elsewhere, this versatile headset will be ready for it[2].

Volume level below 85 dB

The Cloud Mini helps keep audio below 85dB when used with most devices. Helps with ear comfort as younger gamers develop their love for gaming[3].

Durable tuck-away microphone with flip-to-mute

The flip-to-mute feature makes muting the microphone easy when chatting with friends and teammates. You can also tuck the mic away when it's not in use.

Immersive audio

Whether you're gaming, watching content, or listening to music, enjoy high-quality, immersive audio delivered through 30 mm drivers.

Lightweight comfort in a smaller package

The Cloud Mini is appropriately sized and weighted for younger gamers, providing signature HyperX comfort. Recommended for gamers ages 8-12.

[1] Not designed or intended for use as a toy.

[2] Requires 3.5mm headset jack with standard CTIA connection or compatible 3.5mm adapter.

[3] Recommended for ages 8-12.
