

PP14-90

12+4 pin (PSU) to 12+4 pin (GPU) 90° angled 12VHPWR PCIe Gen5 cable

- 90° angled connector on graphics card end
- 12VHPWR connector housing made with 94V0 standard
- Made with 16 AWG rated for 9.2 Amp per wire, capable of withstanding high power of up to 600W

Specifications

Model No.	SST-PP14-90
Color	Black
Connectors	1 x 12+4 pin to 1 x 12+4 pin (90°)
Connector Height	21mm
Wire gauge	16 AWG
Length	650 mm (w/o connector)

Remark

- When using PP14-90, please calculate the power consumption of the graphics card to find the optimal pairing with this cable. We highly recommend connecting one graphics card per PSU to achieve the best performance for your system.
- If your graphics card draws an instantaneous current exceeding 1.5 times, please verify your system specifications with SilverStone to ensure a problem-free experience when using the PP14-90 cable.
