Connect

5-Port USB-C® Hub with Dual USB-C Ports

Hybrid working professionals can connect an external display and up to four more devices to expand their laptop's capabilities for video, data and charging. Add USB-C and USB-A ports, enjoy stunning display resolution, and access up to 100W PD to keep a host device charged while connected to other peripherals. This hub's portable, compact design will keep you working safely and efficiently when you're on the go, in the office or at home.

Product Benefits

- Gain five additional ports through one USB-C connection
- Supports display resolutions up to 4K@60Hz
- Stay charged with up to 100W of Power Delivery† to your host device while you stay connected to peripherals
- Spend more time working and less time transferring with fast data transfer speeds up to 5Gbps
- Get peace of mind with a 6-point safety system:
 - Overvoltage protection
 - Overload protection
 - Over-current protection
 - Over-temperature protection
 - Short-circuit protection
 - Fire-resistant materials
- Includes a 2-year warranty

Technical Specifications

- 2x USB-A (5Gbps)
- USB-C (5Gbps)
- USB-C (PD 3.0 100W)
- HDMI 2.0 (4K@60Hz)
- Made with recycled plastic*
- Dimensions: 4.1 in./10.4cm (L) x 2 in./5cm (W) x 0.6 in./1.5cm (H)
- Weight: 2.98 oz./84.51g
- Tethered USB-C cable length: 7.9 in./20cm

Compatibility

Compatible with USB-C enabled devices such as laptops, tablets, smartphones and Thunderbolt™ 5, Thunderbolt™ 4, Thunderbolt™ 3 ports. Supports Windows, Mac and Chrome OS.

Package Includes

Connect 5-Port USB-C Hub with Dual USB-C Ports

The Belkin Connect Family

Connect products are all about making connections. From cables that charge and share data, to docks and hubs that bring devices together for a more streamlined experience, Connect delivers data in the most efficient way possible, while maintaining the highest levels of quality. The very first product Belkin released to market was a cable, and we are proud to say that making connections has been an essential part of our story ever since.

The Belkin Connect Family Characteristics

- One-cable solution to connect essential peripherals to a computer
- Single solution to connect you to multiple peripherals
- Multiple ports provide fast, simultaneous connection
- Designed for portability to facilitate quick and easy workstation setup and takedown

The Belkin Difference

- Pioneer in innovation and technology for over 40 years
- Extensive testing procedures guarantee quality and durability

AVC022fqSGY, AVC022hqSGY

*Product housing (excluding cable) is made of a minimum of 75% post-consumer recycled plastic.

*USB-C port supports pass-through charging up to 100W, minus 15W for the adapter's operation. Recommend using 60W charger (not included), which will deliver up to 45W pass-through charge while using other adapter functions. Performance depends on laptop requirements.
