- **Compact form factor**

The **CI-03B-OP** is a compact mATX cube chassis featuring a unique Hi-Fi style and modern design, drawing inspiration from furniture craftsmanship to blend seamlessly with minimalist home arrangements.

This chassis offers flexible hardware compatibility, supporting ATX PSUs up to 160mm in length, CPU coolers up to 160mm in height, and graphics cards up to 335mm in length. It provides multiple cooling options, including support for front and top 200mm fans or 240mm radiator. A 200mm PWM fan (featuring a long-life HDB bearing) comes pre-installed at the front, ensuring quieter operation. The chassis front features a unique circular vent with breathable fabric, designed for the 200mm fan.

Additionally, it supports two 3.5" HDDs and two 2.5" SSDs, meeting storage demands despite its compact size.
